Environmental Policy

HY M&E Consultancy Services Pte Ltd, an established Mechanical & Electrical (M&E) engineering consultancy, is certified to **ISO 14001:2015 Environmental Management Systems**. We are committed to ensuring that our services contribute positively to the built environment and support Singapore's transition to a sustainable, low-carbon future.

In line with our certification and responsibilities, we shall:

- **Compliance with Obligations**
Fulfil all applicable legal, regulatory, statutory, and customer environmental requirements, as well as our ISO 14001 certification obligations.
- **Environmental Protection & Pollution Prevention**
Prevent pollution, reduce waste, and minimise the use of energy and natural resources in our operations and services, while supporting decarbonisation and climate resilience.
- **Sustainable Design & Advisory**
Integrate environmental considerations—such as life cycle impacts, energy efficiency, carbon reduction strategies, and green technologies—into our designs, project supervision, and consultancy work.
- **Continuous Improvement**
Enhance environmental performance by setting and reviewing objectives through the Plan-Do-Check-Act (PDCA) cycle, ensuring continuous improvement of our Environmental Management System.
- **Staff Competence & Awareness**
Equip our staff with training and knowledge to actively support sustainability initiatives and effectively implement this policy.
- **Stakeholder Engagement**
Collaborate with clients, regulators, partners, and suppliers to deliver innovative solutions that reduce environmental impacts and contribute to Singapore's Green Plan 2030.

This policy forms part of our Integrated Management System (IMS) provides a framework for setting environmental objectives and is communicated to all employees and made available to relevant stakeholders.

Ho See Fong
